Width: 18.5"
Depth: 20.5"
Sitting Depth: 18"
Hardwood as Shown: American Ash

A client in the Seattle area liked the durability and stackability of our Bartlett Hall chair, but felt the design was a little too “heavy”. We adapted our Arts & Crafts back design to the Bartlett Hall chair frame, to create a new stackable chair that met the client’s design preference. This is a good example of how we can adapt our existing designs to fit a wider set of stylistic requirements.
