Width at Front:	18.25"
Depth:	23"
Sitting Depth:	18"

This new stacking chair was modeled after a typical farm house chair, but we have refined the look for added elegance. A bit shorter than our more traditional stacking chairs, the "X" in the back provides nice support, and creates a very comfortable chair that is easy to move around. The fact that it stacks 6-8 chairs high and comes with a 20-year warranty makes it a real winner for a more casual function space or dining room.
