The Millbrook School and their architects, Voith & MacTavish, liked our Westminster Stack and our Merrimac chairs, and asked us to combine design elements from both chairs to create the new Millbrook chair. Customer and architect both liked the new chair, and we are very pleased to add the Millbrook chair to our line of stacking hardwood chairs. Carefully engineered with our proprietary Eustis Joint®, the Millbrook stacks 6-8 high, and comes with a 20 year warranty.
