Depth: 21"
Sitting Depth: 17.5"
Hardwood as Shown: Quartersawn White Oak

The distinctive Spanish Revival design of this chair was taken from several turn-of-the-century chairs found in the Monterey area of California. The designers at UC Berkeley wanted a special look for their newly renovated Clark Kerr Dining Commons, and were delighted to learn that we could produce a stackable chair as elegant as this that can withstand the rigors of a college dining hall. The key, of course, is our proprietary Eustis Joint®.
