Simmons College asked us to put a curved “crown” in the top of our Charleston chair, and we were delighted with the result. Like its predecessor, the Simmons is as comfortable as it is distinctive, and more durable than anyone would think possible in such an elegant chair. The key to the durability is our proprietary Eustis Joint[®]. Made with concealed steel rods and high-strength epoxies, our Eustis Joints[®] come with an unprecedented 20-year warranty.
