MEDFORD BAR STOOL

The Medford Bar stool by Eustis Chair has a ladder back design that brings a contemporary style to the natural warmth of the hardwood. The slight curves of the back rails almost cradle the back resting against it. Therefore, this hardwood seating option is both beautiful and practical. Fenway Park, home to the Boston Red Sox, worked with Eustis Chair to craft this custom barstool design for their State Street Pavilion Club. The Medford Bar stool, is the perfect wood stool for hours of watching a game, enjoying an event, and more.
