Claremont Country Club in Oakland wanted a hardwood stacking chair for their banquet space, but wanted even more elegance than our existing designs. We found a non-stack Chippendale chair that met their requirements for elegance, and re-engineered the chair to stack 6-8 high with added comfort. And because it is engineered with our proprietary Eustis Joint®, the Claremont comes with a 20 year warranty.

With the great popularity of our stacking Claremont chair, it was just a matter of time until a customer asked for an arm chair version. It is hard to believe that an arm chair as elegant and comfortable as this also stacks. In fact, the Claremont Arm stacks up to 6 high, and comes with the same 20-year warranty as all of our stacking hardwood chairs.
