The management team at Houston's River Oaks Country Club asked if we could put a ball-and-claw leg on our Claremont stacking chair. We weren't sure about stacking clearance until we built the first two prototypes, and saw that the new legs nest perfectly. For a truly traditional function space, there is no stacking hardwood chair more elegant than the new River Oaks. And, of course, the River Oaks stacks 6-8 high, and comes with our remarkable 20-year warranty!
