

Westlake

SPECIFICATIONS

Height: 34"
Seat Height: 18"
Width: 19"
Depth: 22.5"
Sitting Depth: 17"

Jeffrey M. Kalban & Associates asked us if we could put a wood back on our popular Jenkins chair for their client, the Harvard-Westlake School. The Westlake chair took two iterations, but we think we have it right. The comfort is outstanding, and the clean lines of this chair will enhance any contemporary space. And thanks to our proprietary Eustis Joint[®], this elegant chair is nearly indestructible.
