

Circle Back Arm and Side Chair

SPECIFICATIONS

Height: 37"
Seat Height: 18"
Width: 19"
Depth: 21"
Sitting Depth: 18.5"

We designed this chair to be equal parts durable, traditional, and modern. The Circle Back chair takes elements of one of our most popular chairs called the Council Room with one elegant change- we re-designed the upholstered rectangular seat back to be a circle. These chairs are able to stack for easy storage. Thus, they fit any traditional or modern design aesthetic.
