Height: 40"
Seat Height: 17-21"
Width: 19"
Depth: 26"
Sitting Depth: 17.5"

Burlingame Public was the first library to purchase a Eustis Joint® chair from Professor Bob Eustis, back in 1998. With no failures in 18 years, it is no surprise that library Director Pat Harding came to us for chairs for a new branch. At her request, we designed our first swivel-base wood chair. The Burlingame is comfortable and durable, and the perfect solution for the library that wants the seating advantages of a modern office chair, without giving up the traditional good looks of a hardwood chair.
