

# Burton Judson

## Stacking

(Available in Original, 10-60, and Wide)

### SPECIFICATIONS

Height: 39"  
Seat Height: 18"  
Width: 17.5"  
Depth: 22"  
Sitting Depth: 17.5"

The University of Chicago is very pleased with the Bartlett Hall stacking chairs we built for them in 2002, but wanted a more Gothic design for their renovation of the Burton Judson dining hall. The Burton Judson will enhance the traditional elegance of the dining space, and stacks up to 8 chairs high. And since they are engineered with our proprietary Eustis Joint<sup>®</sup>, the chairs will endure for decades.

# Burton Judson Arm

## Stacking

(Available in Original, 10-60, and Wide)

### SPECIFICATIONS

Height: 39"  
Seat Height: 18"  
Width: 24"  
Arm Height: 26"  
Depth: 22"  
Sitting Depth: 17.5"

Our designers have come up with an arm and arm standard for the Burton Judson chair which complements its gothic design. Like all of our stacking arm chairs, the Burton Judson is engineered with our proprietary Eustis Joint<sup>®</sup>, and comes with a 20 year warranty. And in addition to its traditional elegance and great comfort, it stacks 6 high!
