The Claremont 10-60 is the fourth stacking hardwood chair that we have modified in order to seat 10 patrons at a 60" round table. By reducing the width of the chair at the front to 17", 10 chairs can be tucked slightly under the table cloth, and will accommodate 10 patrons with no chair interference. The Claremont 10-60 looks nearly identical to its very elegant full-size chair, still stacks 6-8 high, and still comes with a 20-year warranty.
