

King & Prince

Stacking

(Available in Original, 10-60, and Wide)

SPECIFICATIONS

Height: 39"
Seat Height: 18"
Width: 18.5"
Depth: 22"
Sitting Depth: 17"

The King & Prince chair was designed for a four-star resort with demanding requirements: a hardwood stackable chair that will enhance the elegance of their Victorian dining room **and** survive the rigors of daily use. This chair, made possible by the proprietary Eustis Joint[®], truly embodies the Eustis Chair motto:

King & Prince Arm

Stacking

(Available in Original, 10-60, and Wide)

SPECIFICATIONS

Height: 40"
Seat Height: 18"
Width: 25.5"
Depth: 22"
Sitting Depth: 17"
Arm Height: 26"

The gently curved and sculpted arms are the perfect match for this elegant Chippendale chair. Like all of our arm chairs designed for institutional use, the arms are attached to this chair using our patented Eustis Joints[®]; this ensures that the elegant and comfortable King & Prince Arm Chair is also extremely durable. Who would think in looking at this elegant chair that it stacks up to six chairs high, and comes with a 20 year warranty?
