Depth: 23"
Sitting Depth: 17"

Fenway Park, home to the Boston Red Sox, worked with us to craft a custom barstool design for their State Street Pavilion Club. The Medford Barstool, is the perfect wood stool for hours of game-watching. Its ladder back design brings a contemporary style to the natural warmth of hardwood. The slight curves of its back rails almost cradle the back resting against it; this presents a hardwood seating option that wins on both aesthetic and practical counts.
