The Captain Arm Chair 3 is a classic, traditional hardwood chair design. Many furniture companies have produced this type of chair over the past one hundred years or so. In this version, we added our own Eustis Joint® to make the chair even stronger and warranty the Captain 3 20 years against joint failure. The Captain Arm Chair 3 is the most elegant Captain chair we offer. For the design, we combine decorative trademark spindle carvings and curved armrests to ensure comfort.
