The Yale Club of NYC liked our Bohemian stacking chair, but wanted a roomier chair with a slightly eased sitting angle. The new Council Room chair has the same great looks as our Bohemian chair, but is 1" wider, 1" deeper, and is eased back 3 degrees. Like all of our stacking hardwood chairs, the Council Room chair is engineered with our proprietary Eustis Joint®, stacks 6-8 high, and comes with a 20 year warranty.

We now have an arm chair version. Same great comfort, same elegance, same stack-ability; but with arms! And the Council Room Arm chair is engineered with our proprietary Eustis Joint®, so it comes with a 20-year warranty!
