At the Duquesne Club (pronounced "Ducane"), their rich history is one of their "most valuable and cherished assets". Accordingly, their new member dining chair had to offer superior comfort and traditional elegance, along with the durability expected from a Eustis Chair. A little bigger than most of our other chairs, the new Duquesne Chair provides exceptional member comfort. And with its traditional lines and furniture nail trim, it will enhance the look and feel of the finest club dining room.
