

Louis Stacking

(Available in Original, 10-60, and Wide)

SPECIFICATIONS

Height: 39"
Seat Height: 18"
Width: 18"
Depth: 25"
Sitting Depth: 16.5"

Our Louis chair gets its styling from 18th century France, but the engineering is totally modern. Two lower rails flow seamlessly into the back legs, acting as firm - yet minimal - backing for the archetypal circular frame. Thanks to our proprietary Eustis Joint®, the Louis stacks 6-8 high, is elegant and comfortable, and comes with a 20 year warranty.
