

Novato

SPECIFICATIONS

Height: 38"
Seat Height: 18"
Width: 19"
Depth: 21"
Sitting Depth: 18"

The Novato is an adaptation of our popular Fairfield Chair. A West Coast client needed to bring down the cost, so we eliminated the curve in the back slats. This gives it a more traditional Arts & Crafts look, particularly when done in Quartersawn White Oak, with very little sacrifice in comfort. Made with our mortise and tenon joinery, the Novato comes with a 10 year warranty.
