

St. Martin Stacking

(Available in Original, 10-60, and Wide)

SPECIFICATIONS

Height: 38"
Seat Height: 18"
Width: 21"
Width at Front: 18.25"
Depth: 23"
Sitting Depth: 17.5"

This very comfortable stacking chair is based on our successful University Club chair, but with an upholstered back. The style is still Chippendale, so we named the chair for the London street where Thomas Chippendale made chairs from 1754 to 1813. Engineered with our proprietary Eustis Joint®, the St. Martin stacks up to 8 high, and comes with a 20 year warranty against joint failure.

St. Martin Arm Stacking

(Available in Original, 10-60, and Wide)

SPECIFICATIONS

Height: 38"
Seat Height: 18"
Width: 25"
Arm Height: 26"
Depth: 23"
Sitting Depth: 17.5"

Because the St. Martin was designed for fine-dining, we knew we would also need an arm chair. Our designer was able to create an arm that enhances the elegance of this great Chippendale design, and yet still meets the special requirements to be able to stack up to 6 chairs high. And because they are engineered with our proprietary Eustis Joint®, the arms are nearly as strong as the rest of the chair, and come with a 20 year warranty.
