## PARK CITY STACKING CHAIR

The Park City stacking chair by Eustis Chair was designed in collaboration with a private club in Dallas, Texas. It is based off our popular Council Room stacking chair design. The Park City is modified to be 2" wider, 1" taller in the back, and 3/4" leaned back when compared to the Council Room. The Park City chair works well for member dining chairs, boardroom chairs, restaurant chairs, and private dining chairs.
